this book examines federalism and regional and local politics in russia many commentators have alluded to the unique nature of russia s dual transition and its difficult task of simultaneously reforming its economy and polity but there is in fact a third transition under way in russia that is of no less importance the need to reconfigure central local relations and to create a stable and viable form of federalism federal states are much more difficult to set up than unitary ones and forging a new federal system at the same time as privatising the economy and trying to radically overhaul the political system has clearly made russia s transition triply difficult the book discusses how vladimir putin has re asserted the power of the centre in russia and tightened the federal government s control of the regions it shows how contrary to his rhetoric about developing russia as a free and democratic state authoritarianism has been extended through his reorganisation of the federation council his usurpation of powers to dismiss regional assemblies and chief executives and his creation of seven unelected super

governors the book explores a wide range of issues related to these developments including a comparative study of russian federalism and local politics ethnic federalism the merging of federal units regional governors electoral and party reforms and regional and local politics it also includes case studies of local and regional politics in specific regions

the last decade has seen an increase in political and ideological conflict in local government this book analyzes this context and examines both the operation of elected local authorities and the rise of a non directly elected local government

the latest developments and arguments are explored as is the reality of the links between local government and local communities by offering a balanced approach to controversial topics such as council tax and capping the extension of competitive tendering contracting out of services and the increasingly enabling role of local authorities the book provides the reader with no simple answers instead it offers a sufficiently critical account to let us all decide for ourselves

the book explores the claim that english local government exists in one of the most centralised relationships with national government such a position fundamentally undermines any notion of local self government and makes the term government in local government a misnomer the book will examine how the erosion of the autonomy powers roles functions and responsibilities of english local government came about the arguments of centralisers and localisers to support their view of the constitutional status of local government and its overall role in the government of england the book offers an antidote to the onward march of centralisation by offering a new vision of local government which emphasises both local and government

aims to provide a detailed overview of policy conflict and change in the area of race relations and local politics during the 1980s and reviews some of the prospects for the 1990s it assesses the objectives development and impact of race related policies developed by local authorities

this text provides an overview of the development structure and role of local government in britain today beginning with the nature of local government the concept of elected local authority and the legal status and power of local government it goes on to examine these in detail

separate numbers of each annual volume are devoted to total public employment and payrolls and government employment at state county municipal and other governmental levels

this volume contains thirteen seminal essays which focus on the dialectic between the policies and institutions of decentralization and local politics in india evocative of tensions between matters of local autonomy and the demands of development the volume urges a concern for an understanding of the complex nature of decentralization particularly in view of the enormous diversity of indian society

this book is a study of the political and social structure of late medieval england payling examines the wealth and political influence of a dozen nottinghamshire families who dominated their county during the first half of the fifteenth century his analysis shifts the historical emphasis from the barons at the head of their affinities to the greater gentry as members of well defined shire establishments payling s carefully researched study reassesses the nature of baronial gentry relations and establishes the true extent of the influence of the greater gentry
